It is further notified that the procedure prescribed by Government in Government Order No. F. L. 3961-4020-G. F. 134-46-2. dated 19th November 1946, regarding the revised system of remitting cheques direct to the Mysore Bank, contemplates only cheques accepted by Departmental Officers in satisfaction of dues to Government the proceeds of which have to be credited to the several Revenue Heads of Account and against which no drawings are allowed. But instances have come to notice in which the Bangalore District Treasury has refused to accept cheques tendered without examining the head of account to which they are to be credited. The District Treasury Officer, Bangalore, will have to bear in mind the fact that the above Government Order does not permit the remittance of cheques direct to the Bank for realisation when the amounts involved are in the nature of deposits etc., as distinguished from dues to Government. This aspect of the question should always be present before the District Treasury Officer, Bangalore, as well as the several Officers of Government accepting cheques from the public.

To

All Drawing Officer,

SUBJECT—**Interim Relief to Government Employees.**

With reference to Government Order No. Fl. 6350-6419—S. & A. 114-46-2, dated 25th February 1947, directing that one month's pay be given as bonus to certain classes of Government Employees, the following subsidiary instructions are issued regarding the drawing of the amount:—

1. The term "Pay" referred to in the Government Order includes temporary pay, acting allowances and personal allowances and excludes all other kinds of allowances. An official holding a substantive appointment and drawing higher rate of temporary pay or acting allowances is entitled to bonus based on the actual salary due to him on 1st February 1947. Officials without substantive appointments may draw bonus on the basis of the temporary pay or acting allowances drawn.

2. Bonus should be calculated on the basis of "Pay" as defined above, as it stood on 1st February 1947.

3. In the case of persons on leave, the bonus has to be calculated on the "Pay" as defined above, to which the officials would have been entitled if they had been on duty on 1st February 1947.

4. For purposes of drawing the bonus, the employees, whether permanent or temporary should have put in a minimum service of not less than ninety days or three months on 1st February 1947 including periods of leave, if any, taken by them. A certificate should also be furnished in the bills as follows:—

(i) Certified that the bonus has been claimed on the basis of pay as defined in G. O. No. Fl. 6350-6419—S. & A. 114-46-2, dated 25th February 1947.

(ii) Certified that the officials in respect of whom bonus has been claimed in this bill have rendered a service of not less than ninety days or three months as on 1st February 1947.

5. Such of the Gazetted Officers as are entitled to the bonus may draw the same at the Treasury without any further Audit Slip. Officers, whose permanent pay is Rs. 250 of less but whose "pay" as defined in the Government Order is above Rs. 250 are not entitled to the bouns.

6. Employees of the Government Industrial Concerns or Railway employees who have already been granted bonus are not entitled to this bonus.

7. The classification to be noted on the bills is "32. B. Expenditure connected with War-22. Interim Relief to Government Employees." In the case of persons, whose salaries are debited to Fund Heads or Working Expenses, the bonus will also be charged to the same head.
